DETAILED ACTION

Reasons for Allowance

1. Claims 1-10, 12-18, 20-22, 25-27, 29-33, 35 and 36 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 1, 12, 17, 26 and 32, the prior art references Cartier, McKinley and Schier fail to teach the transaction ID comprising a first plurality of digits in the first calling line number associated with the calling line used to establish the call path with the intelligent peripheral and wherein the intelligent peripheral is identified by a second plurality of digits in the first calling line number associated with the calling line used to establish the call path with the intelligent peripheral. There is no teaching or motivation in Cartier to combine with McKinley and Schier references to teach the limitation as claimed.

Since claims 2-10, 13-16, 18, 20-22, 25, 27, 29-31, 33, 35 and 36 are dependent claims, these claims are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
